

INSTRUCTIONS FOR UPDATING YOUR COPY OF THE BOOK

How to print updates for those who own a copy of the book, first identify which Printing you have. Find it on the back side of the Cover and Title Page. All will be First Edition and below that will be First, Second or Third Printing.

Everyone should download and **print the Change Log for your Printing.**

First and Second printing holders download and print “Appendix C”

For those with First, second and third printings you should download and print “Appendix A 2025 Version”; “Appendix E 2025 Version”; and “Appendix J 2025 Version”

For all people with a copy of the book, your change log is in page order and like our old military manuals identifies what to change. Where you have downloaded compete appendices, they are replaced in total.
